**MEMBERS BRING THE WORLD  
TO OUR STAGE**

What an amazing year we have had! Help us ensure that the vibrant cultural fabric of the arts in Beaverton remains strong: become a member today.

Membership is one of the best ways to support the creative programming you've come to appreciate during our Grand Opening Spring Season—and comes with great benefits! As a Reser member, you will be joining a community of people who believe in the transformative, community-building power of the arts.

Your investment in The Reser supports our mission to make the extraordinary performances in our 2022-23 Inaugural Season accessible to all.

The Reser is pleased to offer several membership levels—starting at \$100 per season—that automatically qualify you for a wide variety of benefits:

---

Access to member-only presales

---

First-look access to new shows

---

Free ticket exchange

---

Exclusive invitation to Reser Presents insider events

---

Recognition in Reser programs and website

---

And more...

---

Be the first to join at [thereser.org/membership](https://thereser.org/membership)

\*Membership benefits apply to Reser Presents performances only.

We depend on the generosity of our members to help bring artists of the highest quality from around the world to our community, our stage, and our classrooms. Thank you for your thoughtful consideration—we could not do this without your enthusiastic support.
